

# Lighthouse Camp 2026 Theme: Light Keepers

## Main Theme: Light Keepers

"You are the light of the world... let your light shine before others." – Matthew 5:14–16  
This year's theme invites campers to discover what it means to live as "Light Keepers", those who follow the light of Christ, grow in it, and carry it into the world.

## Tagline:

"You are the light of the world."

## Theme Summary

Light Keepers are young people who learn to trust Jesus as their guiding light, find peace and purpose in Him, and go out to reflect that light in the world. Each day of camp builds on the next, helping campers move from being called into the light to living it out with boldness and joy.
